## REMINDERS FROM REPUBLIC SERVICES INFORMATION

(please read carefully)

There has recently been some confusion regarding services provided by the City of New Haven's waste collection provider, Republic Services. Please take a moment and review the information below.

### **CITYWIDE TRASH SERVICE**

As a reminder, residents cannot "opt out" of citywide garbage service in its entirety. In order to maintain a low rate for everyone, all residents must participate.

### **BULK ITEMS**

Bulk item service occurs the first full week of every month. "First full week" of the month is defined when service occurs on the first Monday of the month and service runs uninterrupted through Friday.

#### **Residents can set out ONE bulk item per month which will be collected FREE OF CHARGE.**

One (1) single bulk item can be picked up at your curb at NO CHARGE when it is set out for collection during the first full week of the month on your day of collection. (This includes furniture and appliances.) Residents must contact Republic Services to schedule any bulk item pick-ups at 1-800-876-9001.

#### **What if I have additional bulk items either the first full week or cannot wait until the first full week?**

When you have more than one item, residents will need to purchase a \$15.00 sticker (at New Haven City Hall) for each additional bulk item to be collected. (This includes furniture and appliances. Please note a mattress and box spring counts as two separate items.) The sticker for additional items needs to be pinned or taped to each bulk item. Residents must contact Republic Services to schedule any bulk item pick-ups at 1-800-876-9001.

**Large Units:** Please note that for larger units such as (refrigerators, freezers, air-conditioners), certification of refrigerant removal must be on the unit along with a \$15.00 Sticker prior to pick-up by Republic Services. Residents must contact Republic Services to schedule any bulk item pick-ups at 1-800-876-9001.

**Excluded Items:** The following items are prohibited and will not be collected as bulk items: Electronic equipment, (i.e., televisions, laptops, computers, including monitors, keyboards, hard drives, handheld electronic devices, batteries, radio/stereo components, fluorescent bulbs) will not be picked up as bulk items. Residents should contact the Allen County Solid Waste District for any electronic items at 449-7265.

### **TRASH & RECYCLE CARTS**

Cart delivery, removal or exchanges occurs every three (3) working days. If you need to call for a cart delivery, removal or exchange after confirming the service you need, please contact customer service at 1-800-876-9001.

### **COLLECTION**

In order to allow pick up service to run smoothly, Republic Services wants to remind all residents to set your totes and recycling totes out to the curb (with the front of the lid facing the curb for easy disposal) the night before pick up and keep each tote 3 feet away from obstructions, including other totes, mailboxes, fences, etc.

### **CITY ORDINANCE**

As a reminder to all residents, §52.12 of Ordinance No. G-16-8 provides that: Garbage containers and recycling containers may be set out no earlier than 4:00 p.m. on the day preceding collection and shall be removed no later than 6:00 a.m. on the day following collection; and all garbage containers and recycling containers must be stored either inside the garage or on the side of the house at a minimum of four (4) feet behind the front of the house when not placed out for collection.
