

## Community Newsletter - City of New Haven - March, 2017

### NEW HAVEN SUBSCRIPTION EMS

Attention New Haven residents! If you live in New Haven or the surrounding EMS coverage area, the New Haven Subscription EMS Service is being offered once again. The New Haven Subscription EMS Service is all about protecting you and your family while simultaneously supporting the New Haven-Adams Township EMS Service. It is important to know that any revenue generated by subscription sales help in the operation of our local EMS without raising taxes in the process.

#### MEMBERSHIP

If you are currently a member, an invoice will be mailed directly to you for your renewal convenience. If you are not a member, please look for our mailer which will offer this subscription and give you a chance to protect you and your family.

#### COVERAGE AND WHAT YOU SHOULD KNOW

It is important to note that a subscription to the EMS Service is not an insurance policy, but it is a way to limit the amount you would have to pay for expenses that your insurance company does not pay related to ambulance charges. Even if you have health insurance coverage, most insurance companies do not pay 100% of costs related to ambulance bills.

Your subscription will cover any co-pays or deductibles not covered by your health insurance carrier. Residents should also be aware that the similarly advertised subscription to LIFECARE (through Three Rivers Ambulance Authority) will not be accepted in the areas serviced by New Haven EMS. TRAA no longer services the New Haven area, so if you work or live in the New Haven EMS coverage area, purchasing a New Haven EMS subscription is the way to go! \*Note: Although New Haven only accepts the New Haven Subscription, residents are able to carry more than one coverage plan in the area.

#### COST

For a \$55.00 fee, a subscription covers you, your spouse, and any children under the age of 21 living at home (26 if a full time college student living at home) for one year. A subscription purchase is intended to limit a family's out of pocket expenses in relation to medically necessary treatment and/or transportation to a medical facility as provided by the New Haven EMS.

#### APPLICATION & METHOD OF PAYMENT

To become a member, you can download an application by visiting our website at [www.newhavenin.org](http://www.newhavenin.org) or by contacting New Haven EMS at (260) 749-1235. When you complete the application, sign and return the form along with your check or money order. Visa or MasterCard is also accepted. Mail your application to:

**New Haven Subscription EMS
