## MAYOR'S MESSAGE

**Steve McMichael**

**SMcMichael@NewHaven.In.Gov**

### Team New Haven

I would like to take a moment and thank the great employees of New Haven. We have over 100 full-time employees and about 100 part-time and seasonal employees. We are proud of all the departments. Some you see on a regular basis like our Public Safety (Police, Fire, EMS, Dispatch), and the Public Works Team (water, sewer, stormwater, streets, and engineering). Other departments you may not get to interact with such as planning, community and economic development and administrative team. Our parks are proudly served by the New Haven-Adams Township Parks Department and Fire/EMS Services provided by East Central Fire Territory.

These dedicated employees do things you can see, like an ambulance or fire truck responding to an emergency, a lifeguard at Jury Pool, or a snowplow clearing our streets, to the unseen responsibilities such as maintaining underground water and sewer infrastructure or dispatching emergency services for assistance. We appreciate the friendly and efficient service in the utility billing department and the plentiful safe drinking water supply we receive.

Out of more than 120 cities and hundreds of towns in the State of Indiana, New Haven has been ranked one of the best communities to live in Indiana. This is largely due to the dedication and commitment from our city employees and the services they provide.

I also want to extend a special thank you to Barb Crosby and all community volunteers who helped make the Schnelker Park Centennial Celebration successful and memorable.

Without our dedicated employees, the City would come to a grinding halt. Thank you, Team New Haven, for all that you do to make New Haven a wonderful place to live and raise our families. My job could not be done without you. You are valued and appreciated for going the extra mile you go every day to help each other and the citizens we serve.

- Mayor Steve McMichael  
City of New Haven

## OCTOBER IS FIRE SAFETY MONTH

- The New Haven Fire Department wants to offer some safety reminders for residents for fire safety month during the month of October.
- Be sure your house number is displayed with large numbers.
- Maintain heating equipment and chimneys by having them cleaned and inspected every year by a qualified professional.
- Keep portable space heaters at least (3) feet away from walls and turn them off when you go to bed or leave the room.
- Keep candles at least 12 inches from anything that can burn and never leave a burning candle unattended. Blow out candles when you leave a room.
- A portable fire extinguisher can save lives and property by putting out a small fire or containing it until the Fire Department arrives.
- Test smoke alarms at least once a month using the test button. The East Central Fire & EMS Department offers free smoke detectors to residents.
- For more information on fire safety, contact Fire Chief Josh Hale at the East Central Fire & EMS Department at (260) 493-7500.

city of New Haven  
Trick or Treat Bags in front  
of Domino's beginning at  
4:00 PM on  
October 31, 2022  
for the first 500 children

# COUNCIL CORNER

## Chamber Welcomes New President & CEO - Tammy Taylor

Tammy Taylor took over as President of the New Haven Chamber of Commerce at the end of August. She brings a lot of experience, education, and enthusiasm to the job. In her first month, she's already made a lot of changes and identified issues to address. She's going to be a key partner with the City of New Haven.

Prior in taking this position, Tammy was the Development Director for Anthony Wayne Area Council, Boy Scouts of America. She has over 10 years' experience in non-profit work and worked for GE Energy (Motor division) for three years to gain some great leadership in the for-profit environment.

Tammy is very proud of her family. Her husband, Kent will retire after 30 years in both the Navy and Air Force and her son, Alex is now a Veteran with the Navy. She has another son, Austin and both young men are proud Eagle Scouts.

Look for some exciting new changes in the near future at the chamber. If you have any questions, please reach out to Tammy at (260) 749-4484.

Have a question for City Council? You can call or text me directly at (260) 460-7161, or email me at [cdellinger@newhaven.in.gov](mailto:cdellinger@newhaven.in.gov).

- Craig Dellinger  
City Council President

## CPR & AED CLASS

### East Central Fire and EMS Department (910 Hartzell Road)

If you witness a medical emergency, will you be able to respond? Be ready to deliver lifesaving care by signing up for CPR classes. The East Central Fire and EMS will host American Heart Association Heartsaver CPR and AED discounted Community classes coming up in January and running through March 2023. More information and registration will be coming soon.

CPR and AED classes are available for individuals and groups all year long. Please contact the East Central EMS/Fire Department at (260) 493-7500 to schedule one today.

## VOTING QUESTIONS?

**Election Day is November 8th. If you need more information on absentee ballots, voting locations or have other questions regarding the upcoming election, please contact the Allen County Election Board at (260) 449-7329.**

## New Haven Police Department Accepting Applications for the Reserve Police Officer Program

Applications will be accepted until Friday September 30, 2022 by 4:00pm. Applicants must be 21 years of age and possess a valid

Indiana driver's license. Each Reserve Officer is required to work a minimum of 16 hours per month.

Each officer receives training in Criminal Law, Firearms, Emergency Vehicle Operations, Defensive Tactics, Traffic Law, and more. This program also serves other police-related activities as directed by the Board of Control, and/or the Board of Public Works and Safety for the City of New Haven.

## APPLICATIONS AVAILABLE AT:

New Haven Dispatch Center  
815 Lincoln Highway East  
New Haven, IN 46774

## WHAT YOU SHOULD DO IF YOU EXPERIENCE SEWER BACKUP PROBLEMS

As a home or business owner in New Haven, residents are responsible for their own sewer hook up to the city main. It is the City's responsibility to preserve the main sewer lines throughout the City. If you do experience sewer problems (i.e. toilets not flushing, back-ups occurring in your basement, etc.) make sure you contact the City of New Haven Utility Department first so that city crews can come out and inspect the sewer main to determine whether it is a city or homeowner issue.

Residents must contact the City of New Haven Utility Department prior to contacting a private contractor to come out and inspect the problem. If residents choose to work with a private contractor prior to contacting city officials, the City of New Haven will not be able to consider reimbursement options (if they apply) for any contractor expenses.

Once again, if you experience any sewer back up problems, you need to contact the City of New Haven prior to securing a private contractor for any sewer back up issues.

For more information, contact Utility Superintendent Dave Jones at 748-7056 from 8:00 am - 5:00 pm. You can also contact Dave after regular business hours at 414-9097.

## REPORT A STREET LIGHT OUT

Do you need to report a streetlight out in your area?

Residents are encouraged to contact their electric provider and report any streetlights to the customer service center.

To ensure quality service, the electric company asks that you report the pole number (if available) and the nearest address where the pole is located. Contact information for both electric providers is listed below.

New Haven Parks & Recreation Department Office 260.749.2212

## 2022 NEW HAVEN LEAF COLLECTION

The New Haven Utility Department will begin its annual leaf pick up later in October. The start date will be determined by Superintendent Dave Jones based on when leaves actually begin falling. Superintendent Jones said, "It's difficult to predict when the season will change and leaves begin to fall. For updates on leaf pick up in your area, please visit our website at [www.newhaven.in.gov](http://www.newhaven.in.gov) or go to our Facebook page at City of New Haven Indiana."

When leaves begin to fall, please have your leaves on the park strip between the sidewalk and curb (not in the street). Please keep away from street signs, poles, mailboxes and parked cars. All leaves will be picked up as crews make their way through the city.

Bagged leaves **will not** be accepted as this will inhibit the pick-up process and the bags are not conducive to composting.

Leaves that are picked up are recycled into compost, which is available (free of charge) at the Utility Complex located at 2201 Summit Street.

\*Note: No leaf pick-up on November 11, 24 and 25. City offices are closed.

\*December - catch up throughout the city - weather permitting.
