## Mission Statement

To enhance the quality of life for all people in our community by providing parks, green spaces, recreation facilities and programs that make the best use of our natural, financial and human resources.

## Vision Statement

Building community and increasing quality of life through people, parks, and programs.

## A Letter From the Recreation Director

Dear Community Members,

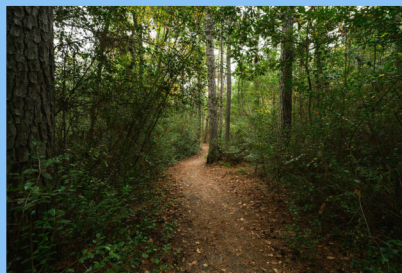

A new year brings fresh energy, new possibilities, and countless opportunities to connect—and your Parks & Recreation Department is excited to be part of that journey with you. Our parks and programs are here to inspire you to get outside, try something new, express your creativity, and build meaningful connections with friends and neighbors of all ages.

Whether you're exploring our parks and trails, learning a new skill, creating art, or gathering for community events, we hope you'll find something in this guide that sparks joy and encourages you to be active, curious, and engaged. Parks and recreation are more than places and programs—they are spaces where memories are made and our community grows stronger together.

We invite you to join us this year, take part, and make the most of all we have to offer. We look forward to seeing you out in the parks and in our programs soon.

Warm regards,

*Angela Daniel*  
Recreation Director

## Program, Pool, and Rental Refund Policy

Refunds will be processed upon request for pavilion reservations, Community Center rentals, recreation classes, programs, and leagues in accordance with the following policy:

1. Full refunds will be made upon cancellation of a class, activity or rental by the Parks and Recreation Department.
2. Full refunds will be granted to individuals paying with cash if requested at least 10 full business days before the program begins.
3. Full refunds less a processing and handling fee of \$5 or 10% (whichever is greater) will be granted to individuals paying by credit card if requested at least 10 full business days before the program begins.
4. Refunds requested less than ten business days prior to the beginning of a program or activity may be granted only for illness or medical reasons. Any refunds will be subject to being prorated in the form of user credit to your account with us, which may then be applied to a future purchase. Requests for refunds may only be made by phone or in person.
5. No refunds or transfers after the beginning date of a program for any other reason than what is listed above.
6. Refunds for cancelled Pavilion/Community Center reservations shall be granted as follows:
  - 31 or more days' notice – Full Refund

## Deetz Nature Preserve

Deetz Nature Preserve, named after retired maintenance director, Thomas Deetz, became park property in 2006. Located at the intersection of Parrot and Hartzell Roads, Deetz Nature Preserve is 72 acres of low-lying wetland area. The preserve-now a beautiful, natural area-was donated by Waste Management. The area has been replanted with native grasses, and the reforestation process has been started with the planting of many young trees. The area has multiple mowed trails, a parking area, and an outdoor classroom. The area is a fantastic location for leisure walks, bird watching, and nature hiking.

## Haskamp Nature Trail

Visit [www.newhavenparksandrec.org](http://www.newhavenparksandrec.org) for trail maps!

Haskamp woods can be accessed through Pinestone Association on Seiler Road with street parking only. The natural trail is approximately .7mile.

## Moser Park Nature Trails

A quarter mile handicapped accessible trail runs through Moser Park woods. Natural trails also criss-cross this woods and is home to New Haven Parks and Recreation Disc golf course.

The New Haven trailhead for the Rivergreenway begins with the Moser Park trail. The Rivergreenway is a great place for biking, running, jogging, walking, rollerblading, and enjoying natural space. The trail runs along the Maumee River bank in New Haven and eventually along the St. Marys and St. Joseph rivers in Fort Wayne. The entire Rivergreenway is a 40-mile trail. Visitors may track the total distance they have traveled because the Rivergreenway mile markers are located along the trail. New Haven cares for a three-mile portion of the Rivergreenway, a National Recreation Trail.
