05/21	City Council	7:00PM
05/27	MEMORIAL DAY	CLOSED

Upcoming Event Photos

Check out what events we have coming up in the community:

MAY IS MILITARY MONTH

In 1999, Congress designated May as National Military Appreciation Month to honor the service and sacrifice of members of the military. They wanted to ensure that the nation gave our military members the recognition they deserved - past and present.

In addition to this monthly appreciation, we celebrate Memorial Day this year on Monday, May 27th. We take this day to honor those who have given their lives for our freedom. Our city is so grateful, and we hope all our service members know that we support them. We also want to remember our active duty and returning service members who still need our support. If you are looking for ways to help, you can find some resources listed below:

2024 Summer Wastewater Discount

Customers typically use the most water during the summer months, so the City has a program to help residents within the city-limits to help with budgets. Therefore, residents are automatically put into a discounted wastewater rate for the summer months.

The Summer Discount Program allows customers to use more water while paying less for wastewater. Each customer's discount will be determined by their own usage average from the previous winter months of December, January, February, and March. The calculated average becomes the cap for any water used above their average during the Summer Discount timeframe (**May 10th - September 6th, 2024**).

If you have any questions, please contact the **Utility Office** at **260.748.7050**. And if you wish to view or pay your bill online, you can visit the City website at www.newhaven.in.gov and click on **"Utility Billing"**.

For Example: Customer "A" has an average usage of 5,000 gallons of water from December through March. If their June water usage totals out to 8,500 gallons, then they will only be charged for the 5,00 gallons (the average of December - March). They will be receiving a discount on 3,500 gallons on their wastewater portion of their bill.

If you have any questions, please contact the **Utility Office** at **260.748.7050**. And if you wish to view or pay your bill online, you can visit the City website at www.newhaven.in.gov and click on **"Utility Billing"**.
